

Don't just talk the talk, TAKE THE WALK!

Join the **Walking for Water Campaign**

WHO: students aged 10+

WHAT: Global initiative where kids help kids in developing countries get access to safe drinking water

- Kids learn about global water issues and help solve them!
- Pick a project to support and see what happens!

WHEN: UN World Water Day
22 March 2015

WHERE: your community

WHY:

- Lots of kids still don't have access to safe drinking water
- It's a great way to learn about water and do something to help!
